

## MEMPHIS BANKS GO TO THE WALL

Merchants Trust Company and  
American Savings Bank  
Suspend Payments.

### DEPOSITORS PAID IN FULL

Officials Say Latter Will Not  
Lose a Dollar—Stockholders  
Suffer 20 Per Cent.

(By Associated Press.)  
MEMPHIS, TENN., December 27.—An-  
ticipation of a heavy run on the Mer-  
chants Trust Company, No. 11 Madison  
Street, preliminary to the withdrawal of many  
deposits Tuesday afternoon, was the im-  
mediate cause of the suspension of that  
bank and the appointment of a receiver  
to-day.

The American Savings Bank and Trust  
Company, No. 16 South Main Street,  
which is dominated by the directors of  
the Merchants' Trust Company, fearing  
that the failure of the other institution  
would cause a run on its own deposits,  
also suspended payment until the affairs  
of the Merchants' Trust Company shall  
have been adjusted. The American Sav-  
ings Bank and Trust Company, it de-  
veloped, recently absorbed the Merchants'  
Savings Bank, at Main and Calhoun  
Streets, and took charge of the latter  
company's business. It is stated by the  
officials of both institutions that the  
depositors will be fully protected and  
paid dollar for dollar.

The stockholders of the Merchants'  
Trust Company, it is said, will suffer to  
the extent of 20 per cent. on the capital  
invested, as the liquidation of the bank's  
finances are expected to entail slight loss.  
The assets of the Merchants' Trust  
Company greatly exceed the liabilities.

The American Savings Bank and Trust  
Company, according to its latest state-  
ment is in excellent condition and is  
carrying more ready cash than is usual  
for an institution of its size.

The Merchants' Trust Company has on  
hand only \$20,000, the remainder of its  
capitalization being loaned out. The fact  
that the bank had overextended and the  
emergency of the new bank money mar-  
ket are given as the direct cause of the  
suspension.

John P. Edmondson, a prominent at-  
torney of this city, and one of the direc-  
tors, has been appointed receiver for  
the Merchants' Trust Company. A. Y.  
Allen, cashier of the American Savings  
Bank and Trust Company, has been ap-  
pointed receiver of that institution.

The decision not to open the doors of  
the Merchants' Trust Company to-day  
was reached after an all-night session  
of the board of directors.

Statements of the financial status of  
the closed banks at the close of business  
December 27th:

Merchants' Trust Company—Assets,  
\$2,445,000; liabilities, \$2,132,315.  
American Savings Bank—Assets, \$758,783;  
liabilities, \$758,783.

The deposits in both institutions ex-  
ceeded \$2,000,000.

C. W. Shultze, president of the Mem-  
phis Clearing House Association, made  
the following statement in behalf of the  
association:

"Fifteen days ago the Merchants' Trust  
Company applied to the Memphis Clear-  
ing House Association for help.

The clearing house association ap-  
pointed a committee to investigate the  
matter. The committee went over the  
assets of the Merchants' Trust Company  
as carefully as the limited time allowed,  
and the association advanced through the  
Merchants' Trust Company the sum of  
\$100,000.

"In the interests of the city and the  
depositors, and of the various institutions  
of the city, which for the last month had  
anticipated some such movement, it was  
deemed wisest to allow the concern to  
close its doors.

"Representatives of the large banks of  
New York, Chicago and St. Louis are in  
this city with great quantities of money  
in furtherance of the legitimate inter-  
ests of the city."

Fox, a passenger on the steamer Titus,

John Seely Hospital, isolated and thor-  
oughly screened, suffering from yellow  
fever.

Fortunately several heavy frosts have  
fallen in Galveston and the State gen-  
erally, which will prevent any spread  
of the disease. Fox went from New York  
to Havana, where he remained for eighteen  
days, when he came here by Dr. J. N. Graves  
and City Health Physician Truchant con-  
curred in the diagnosis.

## WILL COURT MARTIAL DECATUR DESCENDANT

Star Member of February Gradu-  
ating Class at Annapolis Up  
Against Hazing Charges.

(Special to The Times-Dispatch.)  
ANNAPOLIS, MD., Dec. 27.—The board  
of investigation detailed by Superintendent  
Banks several weeks ago to probe  
thoroughly into the hazing station at  
the Naval Academy, has established a  
clear case of hazing against Midshipman  
Stephen Decatur, Jr., a member of the  
class that will be graduated from the in-  
stitution on February 12th. Decatur will  
be tried before the court-martial upon  
the conclusion of the Coffin case, which  
begins to-morrow.

Decatur is a descendant of the gallant  
Commodore Decatur, and is from Port-  
smouth, N. H. He is one of the brightest  
scholars in his class, which contains one  
hundred and twenty-four members, stand-  
ing number six, one of the "star" mem-  
bers. It is understood that he will be  
charged with the hazing of several of  
the fourth class men, but no particular  
case was given out by the officials.

### DR. KNOWLES BURNED.

Eccentric Old Gentleman Drops  
a Lamp in His Room.

(Special to The Times-Dispatch.)  
NORFOLK, VA., December 27.—Dr.  
Isaac Knowles, father of Horace Greely  
Knowles, a prominent lawyer of Wil-  
mington, Del., and Republican candidate  
for Congress in the last campaign, was  
seriously burned in a fire here last night.

He was seated at a table in a hotel  
where he received medical attention.  
Dr. Knowles was walking around the  
room with a lighted lamp, and it is  
thought he dropped the lamp, causing it  
to explode. Dr. Knowles is a Confed-  
erate veteran and one of the few survivors  
of the fight between the Merrimack  
and Monitor in the Hampton Roads dur-  
ing the Civil War.

He came here a few months ago from  
his home in Wilmington, where it is said  
he once enjoyed an lucrative practice of  
medicine. He has refused the overtures  
of his son and other members of his fam-  
ily to return to his home, and has occu-  
pied a single room in this city, which is  
paid for out of an allowance made  
monthly by Mr. Horace Greely Knowles.

### Entertain Young People.

The primary department or infant class  
room of the Sunday school of the Second  
Baptist Church will give and partake  
of their Christmas entertainment to-day.

The exercises will be held in the lecture  
room of the new church, at the corner of  
Adams and Franklin Streets, beginning  
at 11 o'clock this morning.

The usual Christmas tree will, of  
course, be a feature; no well regulated  
Sunday school can very well get along  
to the New Year without a Christmas  
tree, and in addition there will be an  
entertainment which the little ones have  
provided that will, of course, be very  
instructive to the old people.

Altogether the Second Church Sunday  
school Christmas entertainment is ex-  
pected to be a very enjoyable affair.

### NEW YORK YOUNG LADY IS FATALLY BURNED

(By Associated Press.)  
THOMASVILLE, GA., December 27.—  
Miss Golberg, 22 years old, sister of B. H.  
Goldberg, a merchant of New York, was  
probably fatally burned at her home  
here to-day. Her dress caught fire  
from a stove. She ran into a hall where  
her brother, in attempting to strip off her  
burning clothes, was himself severely  
burned.

### To the Voters of the City of Richmond:

Richmond, Va., Dec. 20, 1905.

Having announced myself a candi-  
date for the office of Treasurer  
of the city of Richmond, made vacant  
by the death of the lamented  
Charles H. Phillips, on the 8th in-  
stant, I wish to ask your kind con-  
sideration, good-will and votes for  
said position, which, if elected, will  
receive my undivided attention, con-  
ducting the same in a business-like  
manner, endeavoring a faithful dis-  
charge of the duties connected with  
said office.

As a member of the Board of Al-  
dermen for many years, I have  
been actively connected with the  
Finance, Street, Water and other  
committees, at the same time hold-  
ing the position as a sinking fund  
commissioner.

I have always endeavored to fol-  
low a conservative course in the  
city government, and should I be  
elected to the office of Treasurer,  
it will be my pleasure to transact  
the business of the office in a cour-  
teous and polite manner.

I am in no way connected with  
any combination and will be abso-  
lutely free to select most proficient  
deputies.

Recognizing the fact that before  
the holidays most everybody is too  
busy to consider the claims of a  
candidate for office, I shall, there-  
fore, not impose on the valuable  
time of my friends by a personal  
visit in my interest for the above  
position. Being more encouraged  
every day as to the final result, I  
request my friends and fellow-citizens  
to continue in their efforts in  
my behalf.

Thanking them for the manifest  
interest shown and soliciting their  
further interest, I shall, on the  
29th of this month, I remain,  
Very respectfully,

WM. H. ZIMMERMANN.

## GREAT CHURCHES ARE FAR APART

Cumberland Council Claims Su-  
preme Court Decision Pre-  
cludes Union.

### PROTEST PROPOSED UNION

Cumberland Council Transmits  
Sentiment to St. Louis  
Meeting.

(By Associated Press.)  
NASHVILLE, TENN., Dec. 27.—The  
Cumberland Presbyterian Laymen's Coun-  
cil, which met here to-day, at its session  
to-night adopted resolutions protesting  
against the proposed union of the Cum-  
berland Presbyterian Church with the  
Presbyterian Church in the United States.  
A copy of the resolutions was ordered  
telegraphed to the Committee on Frater-  
nity and Union, which meets in St. Louis  
to-morrow for the purpose of arranging  
details for the union of the two churches,  
including custody of the church property  
and organization of the church boards.

The resolutions follow the report of the  
Legal Committee, of which Judge William  
L. Welcker, of Knoxville, is chairman.  
This report holds that the title to the  
church property would remain with the  
"Loyalists," because they hold the origi-  
nal articles of faith. In this connection  
the "Loyalists" decision in Great Brit-  
ain is referred to as a very simple case.

The committee further says that after  
exhaustive research it was of the posi-  
tive opinion that the proposed union was  
illegal and that the Supreme Court of  
the United States had decided cases in  
favor of the same state of facts, but in  
less important matters, in such a manner  
that the principles laid down absolutely  
preclude the union of these two great  
Presbyterian bodies.

The committee also called attention to  
the fact that the constitution of the Cum-  
berland Church provides for the  
submission of the question of union to  
the different Presbyteries to be voted  
on, as was done, and that as the con-  
stitution was not altered, it was ignored  
and the action cannot, therefore, stand.

The council meeting in the morning  
was attended by between eighty and one  
hundred persons, of whom fifteen were  
women; the afternoon session was at-  
tended by 157 persons. There was but a  
handful of local members at the meet-  
ings, the great majority being non-resi-  
dents. Each member of the council is  
chairman of a primary or a sub-commit-  
tee.

### Will Decide To-day.

(By Associated Press.)  
ST. LOUIS, Dec. 27.—A sub-commit-  
tee of the general committee representing  
the Presbyterian and Cumberland Pres-  
byterian churches, met at the South  
Hotel to-day to prepare for the session  
of the entire body to-morrow when the  
status of the proposed union of the Cum-  
berland Presbyterian Church, which has al-  
ready been decided upon, will be consum-  
mated.

Representatives of the Presbyterian  
Committee will hold a meeting before the  
joint conference, which will be the final  
preliminary meeting. Dr. J. M. Hubert,  
of Marshall, Mo., secretary of the Cum-  
berland Presbyterian Board of Extension,  
to-day characterized as "boilers" the  
"loyal members" in Nashville who are  
protesting against the proposed organiza-  
tion of the churches.

### TRIAL STARTS TO-DAY.

Thought That Middv's Case Will  
Take Two Days.

(By Associated Press.)  
ANNAPOLIS, MD., December 27.—  
Lieutenant Commander William K. Har-  
rington, Judge Advocate of the court-mar-  
shal, met at the South Hotel to-day to  
prepare for the trial of Midshipman  
Trenner Coffin, Jr., of Carson  
City, Nevada, on the charge of hazing  
Midshipman J. P. Kimbrough, of Glen  
Kimbrough, Tenn., to-day served the  
charge upon the accused midshipman.

The court will convene at 10 o'clock in  
the morning, and it is thought that the  
trial of Coffin will take about two days.  
It has become known that Midshipman  
Kimbrough has testified before the board  
of officers which is investigating existing  
conditions as to having at the Academy  
since the hazing occurred, but the nature  
of his testimony has not been disclosed.  
The officials, it is understood, how-  
ever, that no midshipman other than  
Coffin was implicated in the hazing of  
Kimbrough.

Midshipman Coffin has engaged Attor-  
ney McShinn, of Washington, as civilian  
counsel.

### FINE BARN BURNS.

in Albemarle County.

barn on the Poorhouse farm, of Albemarle  
county, was burned Sunday night, and

the fire it was beyond control.

Mr. J. S. Hopkins, the superintendent,  
with the aid of a hired man, succeeded,  
after desperate efforts, in getting the  
horses out of the burning. The loss is  
about \$700 without insurance. Twenty  
head of horses and cattle are turned out,  
without feed or shelter. The cause of the  
fire is unknown.

lances, stationed in the city, have been  
established throughout the city.

## FATAL QUARREL OVER ACTRESS'S AFFECTIONS

F. C. Cooper, Finding Wife in  
Company of C. H. Smith,  
Kills Him.

(By Associated Press.)

DANVILLE, IND., December 27.—Chas.  
H. Smith, of New York city, a member  
of the "Two Johns" Theatrical Company,  
was shot and fatally wounded this after-  
noon by F. C. Cooper, of New York, a  
member of the "Dorcas Island" Company.  
The shooting occurred in Smith's room  
in the Saratoga Hotel and resulted from  
a quarrel between the two men over Mrs.  
Cooper, who was in the room.

Cooper, who was accompanied to the  
hotel by Harry B. Walters, of Minneapo-  
lis, and James Young, of Chicago. He  
entered Smith's room, locked the door  
and fired five shots. Three bullets took  
effect in Smith's head and back. The  
three men then attempted to escape. Sam-  
uel Roberts, the clerk, who covered them  
with his revolver and held them until  
Cooper arrived unexpectedly from Pitts-  
burg and found his wife in the company  
of Smith. An exciting scene followed,  
in which Smith assaulted Cooper with his  
fists. Cooper went out, and it is said, told  
Walters and Young that he wanted them  
to help him out. The police, who were  
called, held the men under \$5,000  
bail bonds.

## MRS. DUKE WILL FIGHT DIVORCE DECISION

Wife of Millionaire Tobacco  
Manufacturer Attempts to  
Prevent Trial.

(Special to The Times-Dispatch.)

NEWARK, N. J., December 27.—That  
Mrs. Lillian N. Duke intends to fight to  
prevent the divorce suit of her husband,  
James B. Duke, the millionaire tobacco  
manufacturer, from being tried in the  
courts of New Jersey, was made evident  
to-day, when her counsel filed notice of  
appeal from the decision of Vice-Coun-  
cillor Minney last Thursday, that Duke  
was a resident of this State. The filing  
of the notice of appeal takes the case  
from the Court of Chancery to the Court  
of Errors and Appeals for review.

cept Festivities Afforded  
Late Pope Leo.

(By Associated Press.)

already being made to celebrate the  
jubilee of the Pope's ordination as a  
priest. Being asked if he desired the  
festivities to be similar to those which  
were celebrated on the occasion of the  
jubilee of the late Pope Leo, when an in-  
ternational exhibition was held in the  
Vatican, the Pope answered, "Certainly  
not. I wish the celebration to maintain  
a strictly religious character."

ward C. Leigh, secretary to Governor  
Beckham, when shown the Associated  
Press telegram from Washington, that  
night in relation to the complaint from  
Frankfort that mail had been improperly  
opened, said:

"This probably refers to some letters  
that have been dropped into the postoffice  
box used by the executive department  
and the Secretary of State's office, ad-  
dressed to Senator Blackburn. A post-  
office inspector came to my office about  
ten days ago and explained that Senator  
Blackburn had made complaint that his  
mail had been opened by some one in  
the executive office."

## MORALES WOULD REGROUP POWER

Apprehended Removal and Fled  
to Revolutionists for Force to  
Re-enter Capital.

### HORACIAS DOMINATED HIM

Not in Sympathy With Party,  
But Constitution Made Con-  
trol Possible.

(By Associated Press.)

WASHINGTON, December 27.—The  
State Department to-day received by  
cable from Santo Domingo advices which  
show much reason to believe that the revo-  
lutionary disturbance reported from there  
yesterday. These were to the effect that  
the diplomatic corps had been domi-  
nated by the Dominican Minister of For-  
eign Affairs—General Telera; that the  
President (Morales) having abandoned  
the capital, leaving the government  
without an acting head, the cabinet had  
called upon the Vice-President (General  
Caceres) to take charge, pending the  
temporary failure of the President to  
exercise his functions. The city of San-  
to Domingo was quiet, and the cabinet  
officers were exercising their functions  
without interruption.

President Morales was reported to be  
at Jajama, ten or twelve miles from the  
capital, among a band of revolutionists  
who were fighting there. As the situa-  
tion is understood here, there has been  
no actual change in the dominant party  
in Santo Domingo as the result of Mor-  
ales' abandonment. The fact is the  
party known as Horacias, of which Gen-  
eral Caceres, the Vice-President is the  
principal figure, has all along controlled  
the cabinet, and this cabinet in turn,  
owing to peculiarity of the Dominican  
constitution, has completely dominated  
the presidential office. As Morales was  
ambitious to conduct his own govern-  
ment, he fell under suspicion of disloy-  
alty to his party, and also was suspected  
of intending to join the opposition or  
power because the cabinet controlled the  
Ministry party. Finding himself without  
party, Morales anticipated removal by  
the party leaders and fled to the revo-  
lutionists, with the intention of securing  
a sufficient force to re-enter the capital  
and drive out his enemies.

The Navy Department has received a  
cablegram from Commander Chambers  
of the "Nashville," dated at Puerto  
Plata, and night of December 26, in-  
forming from a governmental  
source that President Morales had been  
shot and seriously wounded.

### MOSQUITO SQUADRON FOR AMERICAN PROTECTION

(By Associated Press.)

WASHINGTON, December 27.—The  
Navy Department to-day received a brief  
dispatch from Puerto Plata, San Do-  
mingo, announcing the departure from  
that port for Monte Christi of the gun-  
boat Dubuque. The gunboat Paducah left Norfolk  
to-day for Monte Christi, and as soon as she  
can be commissioned the cruiser Dixie  
will be ordered to the West Indies, car-  
rying a strong marine guard for such  
service as may be required.

### WENT AWA YTO WED.

Mr. Gill Wins a Youthful Bride  
Against Her Father's Will.

Miss Lora Hayden and Mr. Gill, the  
former eighteen years of age, and the  
latter forty-three years old, left Richmond  
Sunday for Washington, ostensibly to be  
married. The young lady has been in  
Richmond for some time, and was en-  
gaged in Woolworth's five and ten cent  
store. None of her friends knew of her  
determination to be married, and when  
she left for Washington her parents were  
in the dark for the time being. Mr. Hay-  
den later came to the police and asked  
that the Washington authorities be com-  
municated with and the marriage of his  
daughter stopped. He was informed that  
the marriageable age in the District of  
Columbia did not exceed sixteen years,  
and that there was nothing to be done,  
but the office from which the marriage  
licenses are issued was not open on Mon-  
day, and hence the marriage was not re-  
corded. Mr. Hayden has left for  
Washington to see his daughter.

### PITCHED BATTLE WITH BLACK ROBBER BAND

(By Associated Press.)

pitched battle between a posse of white  
men and three negroes, near Williams  
Crossroads, Choctaw county, last night  
two negroes were killed and the third  
captured. "Kid" Greer, who was killed,  
is said to have murdered a white man in  
Mississippi some time ago, and the others  
are believed to be escaped convicts from  
Alabama. The gang is said to have been  
engaged in robbing whites and blacks  
and causing general terror for ten days.

### Carload of Coal for Alice.

(By Associated Press.)  
HAZLETON, PA., December 27.—The  
members of local Union No. 3, United  
Mine Workers of America, have decided  
to present to Miss Alice Roosevelt as a  
wedding gift, a carload of the best coal
